Appomattox County Library

By Verna Conner

Someone suggested that I read **Not So Wild a Dream** by Eric Sevareid. It is a personal story of his life and for those of us who have lived through two World Wars. It is a moving narration.

In the early thirties Sevareid was what we might call an agitator in college. Then he became a newspaper man and during World War II, a foreign correspondent for C.B.S. He followed our troops to the front lines in France, China, Italy Germany and Burma and how he escaped injury or death is no less than a miracle. At one time in Burma he had to parachute from his plane and he and his companions lived with jungle natives who were reportedly Head Hunters, until they were rescued.

Of Italy, Sevareid said, and I quote, "War ripped apart the physical fabric of lovely Italy; Fascism, one saw at once, had done something to the hearts of the people."

He was thirty-two when the war ended and this book was written in 1946. It may be boring to the "Now" generation but for elderly, it is ideal reading.

As you know, Eric Sevareid is now special commentator on the Walter Cronkite news.

Another book I have just finished is **The Money Changers.** It gives an exciting view of the good and the bad people in banking. If you have read **Airport** and **Wheels** by Arthur Hailey, you will know, as one review put it, his books are "as timely as today's headlines as realing as a full-scale investigative probe."

One of our readers said he sat up until 2 a.m. to finish the book. I did not like it that well, but will concede that it is interesting.

Our Friends of the Library are up and doing. The officers have met and decided to have a general meeting of all interested people, in the near future, so watch for further announcements.

Appomattox Co. Division of Forestry

appomattox county, VIRGINIA DIVISION OF FORESTRY on Friday, September 19 acquired a new John Deer 350 tractor and new Dodge truck, replacing the old one, to be used in the county for the protection of citizens against forest fires. The tractor and truck are stationed at Vera at the home of Leonard Garrett ready to roll in a matter of minutes if needed.

David Smith, Chief Forest Warden, says they are quite proud of this equipment and feel that it will be a real asset to the county in forest protection. With five qualified operators, the equipment along with the very capable assistance of the volunteer fire deparmtments throughout the county should be able to take care of just about any situation that might occur in the way of local forest fires. Eye Bank

The annual Old Dominion Eye Bank Workshop for members of Virginia Lions Club will be held on Sunday, October 12th, according to an announcement made this week by Mr. R. Kenneth Hudgins, Executive Director of the Eye Bank.

The one-day session will take place at the Richmond Hyatt House, Richmond, Virginia beginning at 10:a.m. The program this year includes presentations by Dr. Walter Mayer, Surgical Director of the Eye Bank, andDr. David W. MacMillian, Director of the Eye Bank's Sterile-technique Eye Enucleation Course.

The principal activity of the Old Dominion Eye Bank, a Virginia Lions supported non-profit organization, Hudgins stated, is the solicitation, collection, and distribution of human eye tissue provided on death by eye donors and used for sight-restoring tissue grafts. During the past year, he said, over two hundred blind Virginians were given sight-restoring corneal transplants using eye tissue solicited by Lions and provided by the Eye Bank.

Hudgins pointed out that anyone wishing to pledge their eyes, on death, for the purpose of restoring sight to a blind individual can do so by getting a pledge card from any member of a Virginia Lions Club, or by contacting the Old Dominion Eye Bank,408 North 12th Street, Richmond,Virginia 23219

Vega
Built to take it. Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.
Impala
One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series includes the new value of the thrifty Impala 5—Chevrolet's lowest priced full-size car.
Nova/Concours
America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And Concours, the brand-new model featured here, is our highly practical approach to compact luxury.
Chevelle
Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size economies, plus room for the average family, makes Chevelle a size whose time has come.
There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons—something for everyone in 1976.

Billy Graham Film To Be Shown At Red Oak

A religious film "Time to Run" produced by the Billy Graham Evangelistic Association will be shown at Red Oak Baptist Church in Appomattox County on Sunday evening, Oct. 5, at 7:30 p.m.

It is a story between Jeff and his girl friend, Michelle, played by Barbara Sigel, who is a familiar face to TV viewers.

Michelle has discovered God in her, and this is confusing to Jeff who has little time for a God who would allow war, hatred and suffering on earth. It can strengthen love and relationship between people and was made for families to attend together.

The public is cordially invited to come and see this great film.
